RL524 Connection Diagram

Notes:

- Using our 300W LED Driver (100.525) you can connect up to 8x RL524 Wall Washers in a single chain
- The RL524 Starter Cable (AMGP12FN2B) is required to power the the first 8x RL524 Wall Washers
- 'T' Connection Cables (AMGP12DT2B) can be used to extend the chain by a further 8x Wall Washers when connected to another 300W LED Driver. This process can be repeated to extend the chain of wall washers even further.
- *Various controls are available including Wireless DMX & RF options, contact us for more information
